Student Advising

Doctoral Dissertation Committee

- Hongyu Gao, Georgia State University, completed in 2024
 - Dissertation title: Building the Right Application Effectively and Efficiently with Low-Code
- Chia-Chun Yang, University of Cincinnati, expected proposal defense: April 2024
 - Dissertation title: Designing Technology-Enabled Customer Service Operations
- Cazembe Monds, Georgia State University, completed in 2025
 - Impacts of AI Implementation on Human Relationships
- Xiacong Cui, Georgia State University, completed in 2021
 - Dissertation title: Decision-Making Dilemma in Human-Automation Interaction
 - Placement: University of New Mexico

Doctoral Independent Study

- Xuan Lin, Human-AI Decision Making, University of Cincinnati, Fall 2022

Master's Independent Study

- Prarthana Rajendra, Social Network Analysis, University of Cincinnati, Spring 2017

Teaching Interests

Core IS Courses:	Introductory IS Courses, IT Project Management, IT Strategy, Database Management, System Analysis and Design
Analytics Courses:	Business Analytics, Data Mining, Business Intelligence
Interdisciplinary IT Courses:	Health IT, Digital Innovation

Teaching Experience

Master Level

Instructor	IS7065 Generative AI for Business, University of Cincinnati, 2024 Fall-present <i>Introduce the technology underlying generative artificial intelligence models from a business perspective, including their applications in coding, professional and creative work, and the various controversies and challenges to work and society</i>
Faculty Advisor	Business Analytics Industrial Sprint Project, Institute for Insight, Georgia State University (during sabbatical year), 2024 Spring <i>Advise eight MS-Data Analytics students to work with Cox Media to design machine learning solutions and provide recommendations for effective delivery of addressable TV advertisements</i>
Instructor	IS7031 Database Design and Modeling in Healthcare, College of Allied Health Sciences, University of Cincinnati, 2022 Fall-present <i>Avg Instructor Excellence = 7.5, scale: 1 = Strongly Disagree to 8 = Strongly Agree; Avg Course Excellence = 6, scale: 1 = Strongly Disagree to 8 = Strongly Agree.</i>
Instructor	IS6030 Data Management, University of Cincinnati, 2016 Fall - present <i>Avg Instructor Excellence = 7.8, scale: 1 = Strongly Disagree to 8 = Strongly Agree; Avg Course Excellence = 7.8, scale: 1 = Strongly Disagree to 8 = Strongly Agree.</i>

Undergraduate Level

Instructor	IS2080 Digital Technologies in Business, University of Cincinnati, 2016 Fall-2020 Fall <i>Avg Instructor Excellence = 6.8, scale: 1 = Strongly Disagree to 8 = Strongly Agree; Avg Course Excellence = 6.2, scale: 1 = Strongly Disagree to 8 = Strongly Agree.</i>
Instructor	CIS2010 Introduction to Information Systems, Georgia State University, 2015 Spring <i>Instructor Effectiveness = 4.4, scale: 1 = Not at all Effective to 5 = Extremely Effective; Course Worthwhileness = 4.4, scale: 1 = Not at all Effective to 5 = Extremely Effective.</i>
